Hollydazzle Lights in Newport News

Kick off the Christmas season in style! Join the locals in Newport News as they continue a “new” tradition in Newport News. This event combines fireworks, special effects and music in a spectacular show presented “in the round” on the Fountain Plaza. Don’t miss the “**Star of Wonder**” planetarium show at the **Virginia Living Museum** where you can trace the steps of the Magi as they journeyed to meet Joseph and Mary. Also, see the holiday lights displays in **Newport News Park**, the **Norfolk Botanical Gardens** and on the **Virginia Beach Boardwalk**. Other events include a holiday walking tour of **Olde Towne Portsmouth** with **Colonel Crawford** followed by some lunch and Christmas shopping on your own. Next head to Hampton where you will take a cruise aboard the **Miss Hampton II**. Enjoy lunch in Hampton before heading to downtown Norfolk for some additional shopping time at the **MacArthur Center Mall**. Tonight enjoy some dinner and dancing aboard the **Spirit of Norfolk**. Additional stops on this tour include an **Antebellum Christmas** at **Lee Hall Mansion** and a visit to the **Moses Myers House** where the first Jewish Family in Norfolk celebrated the holiday season.
